Notes and Reminders

Schedule For the Week of February 11

We will be on a "no Friday week" schedule with P.E. on Monday and Science on Wednesday and Thursday. We will visit the library on Tuesday. Please be sure library books are returned by Tuesday.

5th Grade Camp

Our 5th grade camp is planned for Tuesday, March 19 - Friday, March 22. Thank you to those of you who were able to attend the information night last Wednesday. If you were unable to attend, the important paperwork was sent home with your child last Thursday. Copies of the presentation and important forms can be found here:

If your child is NOT attending, please notify me by **Wednesday, February 13th**. Cabin placements will be made next week and ALL students will be placed in cabins unless I have heard otherwise.

Chaperones: We will be notifying our camp chaperones on Wednesday, February 13th.

Please note the following due dates:

Camp Forms & Payment: March 1st (to classroom teachers)

Medication and Medication Forms: March 11th (to office)

- Please contact our school nurse, Nancy Sheets, at nsheets@srvusd.net with any medication questions.

Valentines Day Party and Valentines Exchange

We will be decorating Valentine's Day bags in class next week and all students are encouraged to bring a Valentine to class on February 14 for ALL students in our class. We will be celebrating with a special treat. Thank you Mrs. McCracken!

Steam Museum Field Trip

On Thursday, February 14 we will be hosting a STEAM on-site museum from 8:20-9:00. This is a state-of-the-art hands-on children's museum focused on STEAM education (science, technology, engineering, art, and math). It will include workstations to not only augment our existing science and math curriculum but will also expose our students to high-tech fields of study they never before had access to. In order for this exciting event to run smoothly, we will need 6 volunteers available to support our class from 8:20-9:00 and 1 or two to help with clean up from 10-11:15. Please consider helping by signing up here:
