

ROOM B215 NEWS

April 12, 2019

Hi 5th Grade Families!

It was great to return to school after a wonderful Spring Break! The kids were very excited to share their adventures and experiences with the class.

We began state testing this week and our "Resilient Turtles" were focused and worked diligently to complete the first set of English Language Arts assessments. Testing will continue each morning next week and will begin at 8:00AM. Please be sure your child gets a good night's sleep, eats a healthy breakfast and brings a nutritious lunch and water bottle to school.

Have a wonderful week,

Fondly,
Joyce Rooks

Notes and Reminders

FIELD TRIPS

On Tuesday, your child brought home permission slips/driver forms for three field trips.

- *A's Game - May 9*
- *Diablo Vista Middle School (walking there) - May 14*
- *Boomers - May 28*

We are in need of drivers/chaperones for Boomers and the A's game. Please turn in all paperwork as soon as possible. **Forms are due on Friday, March 19.**

CONGRATULATIONS AYAAN

Ayaan developed and delivered a wonderful speech to our class on Friday. We enjoyed learning about his cultural background and traditions. Wish him luck as he competes against the other Creekside 5th grade participants next Wednesday.

VOLUNTEER TEA

Our Creekside staff would like to honor all volunteers who have offered their time and/or talent to support our school and students this year. I hope ALL volunteers will be able to attend a tea on May 8 from 1:30-2:30. Childcare will be provided☺
