

ROOM B215 NEWS

May 10, 2019

Dear 5th Grade Families,

We had a wonderful week working on many Open House projects, reviewing math concepts through multi-step word problems, concluding our Fantasy Book clubs and attending the A's game. Thank you chaperones for making our A's Game trip possible!

We are only weeks away from the end of 5th grade and we will soon say "good bye" to our elementary school years. This is an exciting and emotional time as we reflect on our time in elementary school with happy memories and think about our next venture into Middle School. Our class focus is on celebrating our time together in elementary school and looking forward to the many possibilities that await us in middle school. We feel gratitude and hope.

I hope to see all of you at Open House on Thursday at 7PM. Your children have worked diligently this year and are proud to showcase their work!

Fondly,
Joyce Rooks
